Two boats will be on the run to care for the motoring public and one of the boats will make Sidney her stopping place overnight. This should be good news to the Sidney Hotel and other local stopping places. For the benefit of our readers we print the proposed schedule in detail:

## CATHOLIC CARD PARTY NEXT WEEK

Much Looked For Event Almost Here

With less than a week to go preparations have been completed for the fourteenth annual card party to be held by the Catholic Ladies of South Saanich in the Agricultural Hall, Saanichton, on Tuesday, April 6th.

Both military 500 and bridge will be played, and in addition many events to further sociability will be included on the evening's program. Excellent prizes, as always, will feature this popular event and many and varied tombola prizes will be awarded to lucky ticket holders.

The Catholic Ladies of South Saanich invite you to take part in their program and assure all a real evening of enjoyment.

## AUXILIARY WILL BE "AT HOME"

GANGES, March 31. — The Women's Auxiliary held its monthly meeting on Friday, March 19th, at Ganges House, Mrs. H. Moorhouse, the president, presiding.

A committee to deal with arrangements for the proposed arts and craft stall to be held at the annual sale in July was appointed and prizes donated by Mrs. N. W. Wilson and Mrs. Moorhouse.

An "At Home" will be held at the Vicarage, Central Salt Spring, on April 7th, from 3 to 5 p.m., when a cake competition will be held to raise funds.

## POTATO GROWERS TO MEET

A meeting of potato growers will be held in Temperance Hall, Keating, on Saturday next, April 3rd, at 8 o'clock, for the purpose of electing a delegate to represent District No. 7 (comprising Sooke, Gordon Head, Metcheson, North and South Saanich, and the Gulf Islands) at the forthcoming meeting of delegates in connection with the B.C. Coast Vegetable Board at Vancouver. All are welcome.

## CONTEST ENTRIES SLOW

Names To Be In Without Delay

Children planning to participate in the annual garden contest sponsored by the North and South Saanich Horticultural Society are reminded that their names must be handed in immediately to Mrs. F. F. King, the contest convener. There is considerable work attached to the distributing of seeds, etc., and in order that all entrants may have an equal chance it is urged that the young gardeners of the district co-operate by seeing to it that their names are handed in without further delay.

For those not familiar with this contest we would like to say that the seeds, both flowers and vegetables, are distributed free of charge by the Horticultural Society in an endeavor to further the worthy art of gardening. The contestants must plant their own seeds, in a given space, and attend their own plots. The gardens are inspected twice during the season and highest point winners at the end of the year are awarded excellent prizes—the first place winner to receive the handsome R. Randolph Bruce Challenge Cup.

Full particulars may be had from the convener, Mrs. King, at Sidney, 'phone 123.

## SACRED MUSIC INSPIRING

Victoria Choir Renders Pleasing Program

The Centennial United Church Choir provided an excellent program of sacred music when it visited St. Paul's Church here on Good Friday evening. The choir, consisting of 30 voices, was under the direction of J. W. Buckler, with Mrs. Paul Green as accompanist. The chief item of the program was a sacred cantata entitled "The Cross," by Flaxington Harter, a composition setting forth the seven last words of Christ. The principals were Miss Janet Hay, G. F. H. Farmer and J. W. Buckler. The cantata was prefaced by a group of sacred anthems, including a quintette by Messrs. Buckler, Dilworth, Farmer and Primloss; a solo by Miss Janet Hay and a duet by Messrs. Farmer and Buckler.

The atmosphere created by this fine program was perfectly in accord with the day and much enjoyed by a splendid audience.

The choir was entertained afterwards by the members of the Ladies' Aid. Before leaving each member of the choir was presented with a small bouquet of violets by Nelson Fralick, picked from his own garden. Words of appreciation were voiced on the part of the choir by Paul Green and on behalf of St. Paul's by Alex. McDonald and Rev. Thos. Keyworth.

## OUTSTANDING CONCERT PROGRAM

Popular Guest Artists Will Assist

A musical event of much acclaim and doubly popular because of its local origin is the annual concert presented by the Elgar Choir of Sidney. On Tuesday, April 13th, this treat will be offered in Stacey's Hall, and we understand that already many tickets have been spoken for and for those interested tickets may be secured from any member of the choir.

Numbering some 40 persons from the local district the choir will be augmented by two outstanding artists from Victoria — Miss Eleanor Walker, Festival winner and a French Canadian folk song soloist, and Arthur Jackman, baritone, who received such favorable mention for his singing in the part of Wolfram in the recent performance of Tannhauser in Victoria. These two artists will each sing two groups of songs.

Particulars regarding admission prices may be learned by turning to the Coming Events column. A complete list of the program numbers appear on another page in this issue.

## School Opening On Monday, April 5th

Minister Of Education To Officiate At Public Function That Has Been Long Anticipated

The new High School building of North Saanich will be formally opened on Monday next, April 5th, by Hon. G. M. Weir, Minister of Education, and the residents of the entire consolidated area are asked to make a special effort to turn out in a body to this function, showing a true united spirit in this district-wide celebration. This is not an invitation affair as has been suggested, but the people's own recognition of the completion and opening of this fine new building. This is really the first opportunity that residents have had to see for themselves the interior of the school and for this purpose the rooms will be thrown open for inspection from 4 o'clock onward.

As the occasion will be marked by a large attendance those in charge ask that where at all possible the children remain at home.

Refreshments will be served at the conclusion of the program by the school.

## Hospital Auxiliary Doing Good Work

GANGES, March 31. — On Tuesday afternoon the ladies' auxiliary to the hospital met at the home of Mrs. S. W. Hoole, Ganges, with the president, Mrs. G. J. Mouat, in the chair and 18 members present. A lot of work had been accomplished and a large quantity of material made up. It was decided to hold a progressive whist on Friday, April 30th, in the Mahon Hall, each member to be hostess at her table.

Tea hostesses for the afternoon were Mrs. Hoole and Mrs. E. Parsons.

## MRS. H. FOSTER HONORED

Weaving Classes Concluded

PENDER ISLAND, March 31. — At the close of the weaving classes last Monday afternoon a tea was arranged by Mrs. Reddyhoff in honor of Mrs. H. Foster, of Mayne Island, who has been a very efficient instructress. After referring to the very happy associations that have existed and the great benefits derived by the members of the class, Mrs. Reddyhoff presented Mrs. Foster, on behalf of her friends, with a beautifully-made shuttle for her own loom. This shuttle, the work of Mr. Sutherland, was graciously accepted by Mrs. Foster, who thanked the ladies for the gift and spoke of the many happy friendships she had made during the course, extending an invitation to the whole class to hold a picnic at her beach as soon as weather will permit.

## TALENTED ARTISTS WILL APPEAR AGAIN

Fine Program In Conjunction With Hospital Shower

Mrs. C. C. Warn has kindly consented to bring her concert party out to Rest Haven on Thursday, the 22nd of April, at 8 p.m. The party consists of Mrs. C. C. Warn, her two talented daughters, Miss Marion Mitchell and Frank Ilyng. These artists are no strangers to Sidney, having been out to Rest Haven a little over a year ago, winning their way into the hearts of their audience.

As the concert is being held in conjunction with the annual linen shower to Rest Haven admission will be a piece of linen or a good book. Towels or pillow cases will be very acceptable to the hospital. This shower and concert is being arranged by a committee of Sidney ladies in appreciation of the fine work being done in the district by our local hospital.

were presented by Mrs. W. E. Scott, honorary vice-president.

Making their debut to a Sidney audience the Victoria Girls' Choir, known as the Ariel Singers, and consisting of 30 lovely voices of girls in the bloom of young womanhood, will present a full program at St. Paul's Church next Wednesday evening at 8 o'clock.

The choir, under the direction of E. Tupman, has won well merited distinction and continues to delight its audiences with programs of outstanding character. It is to be hoped that the people of Sidney, Deep Cove and district will afford it a splendid welcome in the form of an overflowing audience. There will be no charge for admission, but a silver offering will be taken.

## WORSHIP HOUR CHANGE AT ST. PAUL'S

As an experiment, and with a view to accommodating some who find an evening service difficult to attend, a morning service will be held on the first Sunday in each month until further notice. The change will begin on Sunday first and will commence at 11 o'clock. There will be no service in the evening at St. Paul's, on that day, but worship will be conducted at South Saanich at 7:30 p.m. Friends are asked to note the change. First Sunday in each month only. ## DEATHS

### FUNERAL OF MRS. CAINES

The many friends of Mrs. R. M. Caines, of Friday Harbor, were sorry to learn that she passed away on Monday, March 22nd, at the home of her brother, Mr. Alfred Douglas, with whom she had made her home since the death of her daughter, the late Mrs. Wm. Derrinberg, of Saanichton, last August. Mrs. Caines was 81 years old, born at Onslow, Canada. She came to San Juan Island with her parents in 1870, and in 1876 was married to Mr. Robert Caines of Port Townsend, in Victoria. Mr. and Mrs. Caines made their home on San Juan Island for a number of years. Later Mrs. Caines resided at Saanichton with her daughter for some time. She leaves two brothers, John and Alfred Douglas, of Friday Harbor, and one grandson, Robert Derrinberg, of Saanichton. The funeral was held on Thursday afternoon at 2 o'clock from the Friday Harbor Presbyterian Church.

### OLD TIMER PASSES

**MAYNE ISLAND, March 31.** — We regret to announce the death of Mayne Island of Frederick James Robson on Good Friday. Mr. Robson was born in London, England, in 1840. He came to British Columbia via Cape Horn in 1863, taking up land at Sumas Prairie, from whence he moved to Mayne Island in 1869. He was one of the first in the gold rush to the Cariboo and Yukon. He was a successful farmer, keeping an accredited herd of Jerseys with record of performance. His flock of sheep, hens and pigs was always of the best. Mr. Robson was buried on Saturday at 3 p.m., all his old friends paying their last respects, pallbearers being Dr. Rose, Dr. Roberts, D. Bennett, W. Greene, W. Deacon and H. Foster. Mayne Island will miss a fine neighbor and a kind friend to all.

## "It was worthless until properly advertised"

For a long time it was a failure. No one would buy a Gillette Razor. In desperation King C. Gillette began giving razors away. But it did no good.

It was not till nearly ten years later, when an advertising expert came along that Gillette Razors began to boom. In a few years Gillette was a rich man. His company came to have a capital of £6,000,000, with a profit of £1,500,000 and factories all over the world.

One fact stands out: **THE IDEA WAS WORTHLESS UNTIL PROPERLY ADVERTISED.**

Why shouldn't you benefit by advertising? Harness the "power of the Press" to your own problem. Tell people about your produce or service. And keep telling them! It's the 'ammer, 'ammer, 'ammer that brings the business in. Remember —

## More About Snow

I saw a snowflake, on a stone  
And left the gosh-darn thing alone  
For I don't like snow any more  
When it's around me, I get sore,  
And so I hope the snow will stay  
Upon Mount Baker, far away.

I'd say that snow, my mind embitters  
It gives me quite a case of jitters  
Snow makes my life an awful wreck,  
And gives me pains, right in the neck  
So give me lots of bright sunshine  
Then I am happy and feel fine.

## "Be Prepared"

The regular meeting of the Troop was held on Saturday evening. The Lions were the duty patrol. Instructions on the knotter's badge were given. Patrol instruction on first class work was carried out. The boys taking the electric course were under Mr. Arthur Gardner. After the instruction period several good relay games were played. The meeting closed with prayers and flag down.

On Friday 15 of the crew and troop went for a BIKE HIKE to Tod Inlet and spent a very interesting day.

All boys are asked to come to the Forestry pictures on Friday evening.

On Saturday morning all boys who are taking the forestry course are asked to be ready to leave at 8:15 a.m. in uniform and to take their lunch with them. All to meet at the hall.

There will not be a meeting next Saturday owing to the I.O.D.E. party at Stacey's Hall.

## CUB NOTES

"Do Your Best"

There was no regular meeting on Friday but the pack went on a hike to McDonald's bush. They cooked their dinners and played games until everyone was too tired to walk home.

There will be the usual meeting on Friday and the pack has been invited to stay and see the Forestry pictures which are being shown in the hall.

## SOUTH PENDER

Mr. Frank Hodgson, jr., of New Westminster has been visiting his parents, Mr. and Mrs. F. X. Hodgson, for the past ten days, and returned to the city on Saturday.

Mrs. Frank Johnstone of Point Grey and Galiano has been visiting her brother, Mr. F. X. Hodgson, for a few days, and returned to her home on Thursday last.

The Misses Crane of Esquimalt are visiting the island for the Easter holidays as is also Miss Mackay of Soanemo.

Miss Iris Hopper was a guest of Mr. and Mrs. Hodgson from Thurs-

day to Saturday. She is a resident of Burnaby.

Mrs. F. X. Hodgson entertained at tea in honor of Mrs. Frank Johnstone on Wednesday last. Among the guests were Mrs. Spalding, Miss Mackay and Mrs. Gerald Parkyn.

In spite of the long, cold winter, the spring flowers on South Pender are quite early in blooming; daffodils, violets, crocuses, and dog-tooth violets in profusion are in evidence.

We were interested to hear that the Sidney Trading Company of Sidney are joining the Red & White Stores, and wish them every success. From our own experience we know they will handle the best of goods at the most reasonable prices, and have a splendid organization behind them.

Among the boats in Bedwell Harbour over the Easter holiday was the "Sea Gypsy," owned by Dr. G. C. Draeske of Vancouver.

Mrs. Fred Gillespie of Hillside Cottage has her sister-in-law, Mrs. Gillespie, visiting her from Vancouver during the Easter holidays.

## CANADIANS AND THEIR INDUSTRIES...AND THEIR BANK

## THE FOREST INDUSTRIES

The forest area of Canada on which there is timber of merchantable size is larger than the total area of France and Germany combined; the standing timber on this is estimated at 274 billion cubic feet. An area of even greater extent is covered with young growth.

This vast reservoir of wood is the source from which Canada drew wealth in excess of \$110,000,000 in 1934 (the latest figures available) in the form of primary products such as:

- raw material for saw mills, pulp mills, wood distillation, charcoal plants;
- logs, pulpwood, bolts, etc., for export;
- firewood, railroad ties, posts, poles, fence rails, mining timbers;
- maple sugar, balsam gum, resin, cascar, tanbark, moss, etc.

The total value of manufactured products made principally from raw materials of forest origin was \$404,435,948. Forest products in 1936 afforded an excess of exports over imports—\$158,500,000—very important to Canada's international trade.

The Bank of Montreal has co-operated with every activity of the forest industries—assisting in every phase of production and marketing. The Bank has had the privilege of financing a large share of the export business of these industries. Thousands of workers are depositors, sharing in the safety and facilities of the Bank with their employing companies.

Some of the Bank's services most frequently used by employers and employees in the forest trades: Commercial accounts, foreign currency accounts, financing of shipments; commercial loans and discounts, collections, trade and credit information, safekeeping of securities; savings accounts; personal loans, money orders, travellers cheques, banking by mail.
